#CedefopPhotoAward

Take part in the **#CedefopPhotoAward 2019** competition for a chance to win trips to Helsinki and Thessaloniki. The theme of the photo competition organised by Cedefop is **‘Vocational education and training: tell your story’**.

If you are a group of vocational education and training (VET) learners in the European Union, share your experience and tell your VET story. Story examples: a project you have developed; a mobility experience abroad as part of your vocational education and training; VET’s influence on your life.

PRIZES

The first and second prizes will be a trip to Helsinki for the two winning teams and their teacher/tutor to take part in the **European vocational skills week** gala dinner and award ceremony on 17 and 18 October 2019.

The Cedefop prix du jury will be a trip to Thessaloniki for the winning team and a teacher/tutor for the opening ceremony of the **Thessaloniki international film festival** on 31 October 2019. Cedefop and the European Commission will cover the cost for the participation of the winning teams and their teachers/tutors in the events (travel expenses and accommodation for each trip).
